

Vibes Series

Book #1: Jigsaw

Why was Brittany suspicious of Mr and Mrs Cooke?

How would your life change if you lost your memory?

If there was a fire at your house and everyone was safe, what three things would you take with you, and why?

If all humans were genetically engineered, and could be made to order, what traits would you:

- (a) include
- (b) leave out.
- (c)

Where will the story of Brittany and her friends go from here?

Book #2: Shadows

Why did Brittany wonder if she was crazy?

Describe the friendship between Brittany and Mango?

What was the surprise that Brittany's 'shadow' left behind?

Mark the suspenseful moments in Shadows on graph paper, then join the dots to make a line.

What did you discover about the use of suspense?

Book #3: Masks

How is setting important in *Masks*?

Name 4 characters in this novel. What is the secret that each one is hiding?

Why is this book called *Masks*?

How are titles important?

Book #4: Suspicion

How do you feel about Doctor Divine, and why?

What do you think about the idea of a 'master race'?

How would you feel if you were (a) included or (b) not included in this group?

How is humour used in the *Vibes* series?

What do you think about the choices for their futures made by:

- (a) Brittany
- (b) Mango
- (c) Nick?

Look back at your plot predictions (written after you read *Jigsaw*). How was the *Vibes* storyline similar and different to your predictions?
